

Bid closing process for Bids above R200K

As a prerogative of enforcing compliance and continuously aligning SCM processes to be responsive to Bids submitted by the public, we have designed the closing of bids procedure as follows:

City Power:

- Views Bids as a collection and an internal acknowledgement of responses to City Power's invitation to external sources who will be empowered to assist City Power achieve its objectives and goals
- Follows a guided approach when opening Bids and if possible addresses concerns of Bidders present
- Adheres to the Municipal Finance Management Act and stick to Policies and Procedures designed to assist officials carrying out various Supply Chain responsibilities on behalf of City Power, as well as all other legislative requirements applicable to Municipal entities
- Condone a fair and transparent process when opening Bids
- Undertakes as a matter of principle to justify the fairness in Bids opened in the absence of Bidders notwithstanding the right of Bidders to be present when the Bid closes as per the Bid notice in the advertisement
