Media Alert

Region G & C

City Power attends to two active power outages

Currently City Power technicians are attending to two active unplanned power interruptions in region G and C of the City of Johannesburg.

In Region G a tripped transformer incomer caused power outage that affected the following areas:

- Eldorado Park
- Bushkoppies
- Goudkoppies
- Devland
- Klipspruit West and surrounds

Currently the power outage is 76% restored. Goudkoppies and Bushkoppies are still off but are currently being attended to.

In Region C City Power technicians have managed to restore power to 95% of the areas that have been suffering unplanned power loss this morning. Those areas are Honeydew and Lazerpark.

As the supply may be restored at anytime, customers are urged to treat their electricity supply points as live at all times

City Power will keep customers updated of a progress in power restoration via twitter handle: @CityPowerJhb
