Unplanned Power outage update

Region F

City Power attends to Wemmer Outage

Due to smoke that enshrouded electrical equipment when an incomer cable burnt this morning at Wemmer substation, City Power has arranged Dry Ice services to clean the place.

The unplanned power interruption started at approximately 01h43 today.

The following areas do not have electricity as a result of the burnt cable:

- City Deep
- Flower Market
- Fresh Produce Market
- Transnet Hostel in City Deep
- Transnet Railway Line
- Bassonia
- Rosettenville
- Eastcliff
- The Hill
- Joshco Complex in Forest Hill

Estimated time of restoration is not confirmed yet however technicians are busy trying to bring back power as soon as they possibly can.

As the supply may be restored at anytime, customers are urged to treat their electricity supply points as live at all times

City Power will keep customers updated of a progress in power restoration via twitter handle: @CityPowerJhb
